OTTER BITTER

Otter Bitter is our 'session' beer. We understand the importance of keeping those customers who prefer lower gravity beer satisfied - Otter Bitter does just that. Its depth of flavour and condition mean that it could easily be mistaken for a stronger beer, although its gravity is just 3.6% abv. This makes Otter Bitter great value on the bar.

What does it look like?

Otter Bitter is a golden brown beer with a depth of colour that is reflected in its great condition.

What does it smell like?

Otter Bitter has a fruity nose with hints of malt.

What does it taste like?
