OTTER ALE

Otter Ale, our premium beer, is where it all started. At 4.5% abv this beer sets the benchmark for our range. We think a premium beer should deliver taste and flavour without compromise and that is what Otter Ale is all about. Ale is also a great beer to complement food.

What does it look like?

Imagine a beautifully polished piece of mahogany and you've got the deep, rich tones of Otter Ale.

What does it smell like?

Otter Ale has a distinct malt aroma with hints of fruit.

What does it taste like?

At first Otter Ale delivers malt and fruit notes but the taste is finished with a combination of fruit and some bitterness. An empty glass can be heard to sing 'refill me' if you listen closely enough!
